

# Little Bird Little Bird Patterns

I used these birds to sing "Little Bird, Little Bird, Fly Through My Window" in baby storytime. Elizabeth Mitchell has a lovely version on her album, "You Are My Little Bird."

Search for "Mel's Desk Flannel Friday Little Bird" to find a post with a photo you can use as a reference.

\* I did not include patterns for beaks - too tiny! use black for the cardinal + bluejay + a goldish tan neutral for the others.\*
